

# Connected

## Your member website Aetna Resources For Living<sup>SM</sup>

The Resources for Living website provides a variety of tools and resources to support your associates with their:

- Work/life balance
- Personal development
- Overall health
- Emotional well-being

### Easy access from the home page

You can find access to some of the most popular features right from the home page. Link to online resource centers and monthly features such as:

- Member newsletter
- Videos
- Member poll/results
- Podcast and more

Quarterly features include a new video related to emotional health (“e-Health”) and a self-assessment. Members can also easily navigate to myStrength™ for evidence-based online learning programs that can help with stress, anxiety, depression and more.

The “Today I want to” menu provides quick links to helpful resources, such as:

- Information on depression
- Suicide prevention resources
- National crisis resources
- Video library and more
