Talk to a Teladoc® Provider and Establish an Ongoing Relationship

Your therapy visit is starting in 15 minutes.

Taking care of your emotional health is an important part of your overall well-being. Your Tufts health plan benefits give you and your dependents 18 and older, access to virtual care by U.S. board-certified providers by video or phone visits to help manage everyday challenges.

Teladoc providers can help with concerns such as anxiety, depression, grief, family issues, trauma, or PTSD. Choose to see a psychiatrist, psychologist, social worker, or therapist who fits your needs and build a relationship with the provider of your choice.

START MAKING PROGRESS TODAY

Telehealth virtual health care services (provided by Teladoc®) are available to Tufts Health Plan commercial members (not including Tufts Health Direct). There will be no cost share or copay for Teladoc services to employer-sponsored groups that have this benefit and have not opted out; cost share may apply to some self-insured groups. Cost share will apply to Saver plan members starting 1/1/2022. If you're not sure whether your plan includes Telehealth by Teladoc please ask your employer. Your regular health care providers may also offer virtual health care services to you - please contact them directly for additional details. Cost share applies.
